A Most Delicious Dessert

Shredded Whole Wheat Biscuit is made in the most hygienic and scientific food laboratory in the world. The wheat is spun into light shreds, containing thousands of open pores and is not crushed flat and dense as in case of other foods. These pores absorb the digestive juices and provide far greater surface for their action than is given by any other food.

The following simple "course before coffee" is much in vogue with club men everywhere. The simplicity of preparation and the little cost, together with the delicious taste of the compotes, make this dessert in rare favor in the home.

Use Seasonable Fruit and

THE most artistic and durable color effects on shingles are produced with Shingletint, which is a scientific combination of linseed oil, coloring matter, creosote, and the necessary drying agents.

Among the many shingle stains offered Shingletint is conspicuous not only for its superiority, but because it can be called for by its distinctive name, thus offering the consumer protection against inferior goods offered for the same purpose.

When buying Shingle Stains it will be worth your while to ignore the "just as good" argument and insist upon Shingletint.

The Fox Typewriter

Has Displaced More Good Typewriters than
any other Typewriter make

Any Typewriter that can do this must embody prin-
ciples that stand for economy.

*Cast aside any prejudice you may have
and investigate the Fox.*

Simply because you have always used a certain type-
writer does not prove by any means that that par-
ticular one is the best. Newer methods combined with
the ideas which have given durability are what is de-
manded, and this is what the Fox is.

*It unites the good of the Old with the Best
of the New.*

The Fox Typewriter is the most economical to buy
from any standpoint. It gives the best service, and the
longest service, and is the most satisfactory writing
machine for general office use on the market today.

Our free trial plan will enable any responsible person
or firm anywhere to give the Fox Typewriter a thorough
trial without expense. New catalog mailed on request.

Pabst Extract

Don't let the heat of summer undermine your strength, enervate your system and lay it open to the inroads of disease. Keep your blood cool and full of life by taking a small glass of **Pabst Malt Extract** before each meal—it's **The "Best" Tonic**, both in name and reality. For all men, and for all women—at all times, everywhere—**Pabst Malt Extract** is a builder of health, strength, vigor and vitality. For invalids and convalescents, and for those enfeebled by age, it is both meat and drink—a tonic that enriches the blood, quiets the heart action, steadies the nerves and renews the wasted tissues of the body.

For fifty years I have been more or less an invalid—the doctors say my blood had not sufficient red corpuscles to give me strength. For the past fifteen years I have used Pabst Malt Extract, The "Best Tonic," and it has always given me renewed strength and vigor. The fact that I am now seventy-two years old and am enjoying better health than when I first began to take your Malt Extract makes me commend it heartily to my friends and to those whom I have cared for in my work as a practical nurse. I know of no better Tonic for those suffering from general debility, or for convalescents. J. M. SHORT, 464 East 55th Street, Chicago.

Avoid cheap imitations—lacking the strength and purity of Pabst Extract—they are frequently adulterated and usually harmful—your system demands **THE BEST**—and Pabst Malt Extract is the "Best" Tonic—The proof lies in the using.
